

## Synology NAS Instructions

### Setting up OpenVPN Server

Barred Owl Web

**Contact:**

<https://barredowlweb.com>  
423-693-4234

#### 1. Login to the Synology NAS

#### 2. Go to Main Menu

#### 3. Open the VPN Server

#### 4. Setup the VPN Server, check status, and view VPN client list from this screen.

**Note:** We recommend using OpenVPN instead of the other options. PPTP, for example, is considered insecure.

## **About Barred Owl Web**

We offer Synology Hyperbackup off-site backup solutions starting at \$300/year.  
Sign up at <https://barredowlweb.com/get-started/>.
